

Comprehensive Planning on the Eastside

BELLEVUE "FORMING OUR FUTURE"

Human Services Goal

"To create a community in which all members have the ability to meet their basic physical, economic, and social needs, and the opportunity to enhance their quality of life."

Amendment Requests accepted through January 2014.

*Contact: Nicholas Matz, Senior Planner
nmatz@bellevuewa.gov*

REDMOND 2030

Human Services Vision

"The City works in partnership with schools, businesses, service providers, and other organizations and jurisdictions to maintain and strengthen a human services network that provides the food, shelter, job training, child care and other services residents need to be thriving members of our community."

Amendments to Plan will be considered in Spring of 2014.

ppsullivan@redmond.gov*

ISSAQUAH COMP PLAN

Human Services Vision and Values

"The City of Issaquah strives to be a "healthy community" where every person is considered essential, and where meeting basic human needs is considered a shared responsibility. Issaquah's Human Service Element contains policies that address and provide support for those services and programs valued by the community."

Amendment Requests accepted thru mid-January 2014

*Contact: Jason Rogers, Planner
jrogers@issaquahwa.gov*

SAMMAMISH 2035

Housing Affordability Proposed Goals and Policies

- Goal: Provide for a range of housing opportunities to address the needs of all economic segments of the community.
- Policy: Offer financial aid and/or technical assistance to establish affordable housing for very low, low and moderate income households.

For more information on the Comp Plan Update:

*Contact: Emily Artech, Senior Planner
eartech@sammamish.us*

KIRKLAND 2035

Human Services Policy

"It is a priority of the City to ensure that programs are accessible to all. To this end, the City should provide programs, and operating and capital funds annually to support social and health needs for those who have special needs, are financially challenged, are homeless, and/or who have limited access based on their language or cultural needs."
